**NOTICE OF EX PARTE COMMUNICATION  
OF THE DIVISION OF RATEPAYER ADVOCATES**

In accordance with Rules 1.4 and 7.1 of the Commission's Rules of Practice and Procedure, the Division of Ratepayer Advocates ("DRA") submits this notice of an oral ex parte communication.

On July 12, 2006, at Commission headquarters in San Francisco, Robert Kinonian of DRA met with Stephen St. Marie, advisor to Commissioner Bohn. Mr. Kinonian explained that DRA supports the proposed decision ("PD") approving general principles for the economic evaluation of transmission line projects (item 45 on the July 20 Commission meeting agenda). Mr. Kinonian expressed DRA's disagreement with the recommendation of the California Independent System Operator ("CAISO") to modify the PD to require that such analyses utilize the CAISO's model. There were no written materials involved in the communication.
